

Add-On Donor Plaques and Sign Framing

Donor Plaques with Woodgrain Plastic Inserts

Display and increase donation opportunities with affordable recognition products.

Woodgrain Add-On Donor Plaques are a very popular choice for many organizations who are seeking both quality and economy.

The maintenance-free plaques feature contrasting inserts. Colors other than woodgrains are displayed on page 4A under Plastiflex and are available at no extra charge. 4" x 1" inserts are 1/16" thick rigid plastic for durability. Insert holders are 1/4" opalescent white acrylic with precision-grooved slots for easy sliding. Larger inserts are available (call for quote).

This plaque's frame is made of heavy-gauge aluminum with a Gold anodized finish. The corners are mitered and interlocked for added strength (Silver or Bronze framing is also available). Subheadings are available in varied lengths.

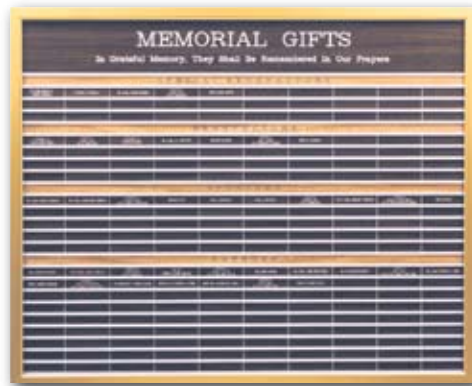

Emblems, Logos or other Type Styles can be engraved in the headline as an attractive option. For logo reproduction, please submit black and white, camera- ready artwork.
