

Small Book of Memory

The Small Book of Memory

12 Pages. List 400 to 1200 donor names.

Honor your donors with a compact and unique Book of Memory, suitable for display in any space or setting.

Our small Book of Memory features 12 MetalGraph pages on 6 leaves. This represents adequate space to list 400 to 1200 donor names, depending on the type size and number of columns used (2 columns max.).

These Small Books of Memory are a very compact (16-1/2" w x 14-5/16" h x 2-1/8" d), economical and attractive way to acknowledge a large number of contributors with a minimal amount of space.

Six swinging leaves hold 12 MetalGraph pages. Names can be listed on both sides of these leaves.

The Book of Memory can be displayed with just a few pages of names to start. Additional pages can be installed later by simply affixing them to either side of the swinging leaves. Pages have a Press-A-Ply adhesive backing.

MetalGraph gives you the freedom to create any cover design you desire for your Book of Memory. The MetalGraph process can faithfully reproduce any photograph, artwork, logo or letter style.

Zax glass-smooth MetalGraph plates are .020" anodized aluminum in Gold or Silver-tone. MetalGraph will not chip, fade, crack, peel, tarnish or corrode. Your book will withstand years of viewer handling. Thousands of these books have been installed throughout the nation because they require no maintenance.

The standard Book of Memory case has a Bronze Duranodic finish, or choose a Silver-toned unit with silver pages for a whole different look (add 20% to price).

The cover contains a Gold or Silver-tone MetalGraph plate with black image. The 6 leaves which hold the MetalGraph pages are sturdy 1/16" thick plates in Bronze Duranodic finish. The heavy-duty Bronze Duranodic finish aluminum case has piano hinges and sturdy pivot leaf pins.
