

Cast Bronze and Aluminum Tablets

Traditional Cast Bronze and Aluminum Tablets

The Ultimate in Recognition

Cast plaques are traditionally regarded as the ultimate honor for commemorative memorial and donor recognition. Nothing surpasses the elegance of solid cast bronze or aluminum. These handsome tablets, with their distinctive raised letters, are a lifetime remembrance. Whether placed indoors or out, the surface slowly ages and becomes more beautiful over time.

The most popular type style for casting are shown on page R22. Other type styles, emblems or company monograms can be photographically etched into the surface of the bronze or aluminum. Submit your black and white artwork in a .eps or .ai file format for a quote.

Sculptured bas reliefs are also available. For a price estimate, submit photographs and indicate the size of the tablet you desire.
