

MarbleGraph Donor Plaques

MarbleGraph Plaques

Looks and feels like real marble. Ideal for creating donor walls of distinction

Get the look of marble without the marble price.

These distinguished plaques are our most quality-driven recognition product. We all want the marble look - but not the cost. Include MarbleGraph in your plaque or donor wall for the ideal solution.

MarbleGraph is a non-porous, man-made product. It is translucent, highly lustrous and more scratch-resistant than other products.

Mount our distinctive ClassBrass plates to MarbleGraph for the ultimate in appearance. Your donors will appreciate this dignified and truly beautiful display of recognition.

When pricing ClassBrass or MetalGraph plates, refer to pages R5 & R6. Find the size and plate price, then add MarbleGraph panel pricing explained on the following page.

Machine Engraved MarbleGraph

Impressive and unequalled in the marketplace. A new dimension in elegant plaques.

Machine Engraved MarbleGraph plaques are truly outstanding expressions of recognition to be valued forever. This elegant material is available in several marbleized colors, as shown below, as well as many standard sizes. Custom sizes are also available.

Every Zax MarbleGraph plaque is painstakingly given four unique sandings and four hand polishings - resulting in an impressive jewel-like finish which is unparalleled among similar products.

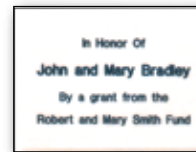

You can choose from 5 letter styles (see letter styles on right): Helvetica, Optima, Clarendon, Goudy Regular and Times Regular. The number of characters included in the pricing is listed in the price chart on the following page.

For orders of 12 or more plaques, specially colored MarbleGraph can be obtained. Color samples are available at your request.

Letter fill colors: White, Black, Almond, Grey, Brown, Maroon, Metallic Gold and Silver. Gold is the most popular choice.
