Changeable Copy Signs

Ideal for churches, schools and business facilities. Highly resistant to weather damage and corrosion. Display changeable messages, in your own color combination, with this all-aluminum combination, 12" deep cabinet sign.

Zax will custom-create a highly durable sign in the size and style of your choice. Put your message out there for all to see, in a handsome and convenient way.

Identify your facility with your own logo and colors while connecting with visitors and passersby through changeable wording.

Our unique twin hinge design allows the exterior panel to open easily for

accessing and working with changeable lettering. A second interior panel also opens to allow access to lamps and electrical components.

This sign style is also available in a non-changeable version. All signs are sprayed with an acrylic polyurethane enamel coating.

Zax will gladly supply a quote with a rendering designed for your facility. Write or fax (603) 883-6395 in the following:

1. Sign size desired
2. Single or double sided
3. Wording with a copy of your logo (if desired)
4. Submit a rough sketch.

Design 1-12-B (Changeable Copy) No Logo. Choice of standard or custom colors are available to coordinate with your landscaping, building color or to match logo colors. Submit black and white camera ready art if your logo is to be incorporated into the sign.
