

Exterior Changeable Panel and Post with Panel Signage

Exterior Post with Panel Signage

These all aluminum sign systems are designed to offer strong visual impact for site identification or directional applications. Bronze duranodic is standard. It can be painted to suit your needs. The Econo version has 2 1/4" square posts. The 1/8" panel fits into a frame assembly which slides into the posts secured with locking square. The Heavy Duty version has 2 1/4" x 3" rectangular posts. Also available in a radius post. The 1/8" panel is secured with a locking square as above. Prices below do not include vinyl letters. Call us for a quote.

Changeable Multi-Panel

Great for updating information.

Similar to above signage, but with the added flexibility of changeable sign panels.

Panels are 4"h x 36"w or 48"w. The "H" mullions hold panels firmly and rigidly in place. Framing around panels is 1" x 1-1/2" deep. Posts are 2-1/4" square. Standard post is 76". Other specifications same as above.

Wall Mount Signs

Ideal for identifying your building, it's occupants and for directing people.

Same specifications as Post / Panel signs but in a Wall-Mounted version.

All signs are easily installed with the invisible "quick mount" brackets located on the back of the sign. Choose from any of the vinyl letter styles illustrated above. The crating charge for this item is \$75.00. This is in addition to shipping & handling charges.
